

The mission of the **Elmwood Pediatric Group** is to provide state of the art medical care to our patients, caring for them with knowledge, experience, respect and courtesy.

Elmwood Pediatric Group has been serving children and their families since 1946. Our long history as the first pediatric group in the Rochester community is a commitment to providing our patients & their families with the highest quality care year after year.

Level 3 Medical Home Certification!

Elmwood Pediatric Group has achieved the highest level of **PATIENT CENTERED MEDICAL HOME** certification, awarded by The National Committee for Quality Assurance (NCQA)!

We are Patient Centered!

We are proud to serve as a “*PATIENT CENTERED MEDICAL HOME*” to our patients, where families can expect compassionate & comprehensive pediatric care, convenient access to quality after-hours services, and professional coordination of care between our providers and community specialists.

Our Services Include:

- Well child care from birth through college
- Sick care and same day appointments
- On-Site laboratory testing
- Developmental screenings
- Immunizations
- Mental Health and ADHD Consultations
- Acne, adolescent skin care
- Treatment of minor injuries, including lacerations
- and much more

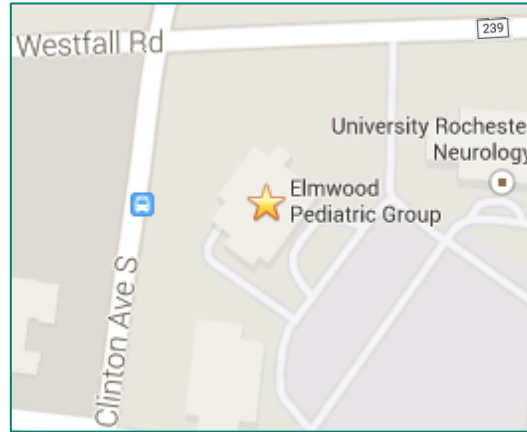

Flexibility, Access and Communication are central to our commitment to the families at Elmwood Pediatric Group

Dr. Hodges completed her pediatric residency at the University of Rochester. She served as a chief resident in pediatrics at Golisano Children’s Hospital through June, 2017. Dr. Hodges has a special interest in breastfeeding, newborn health, and asthma. She lives in Pittsford with her husband and two children.

Dr. Kleinberg completed her pediatric residency at the University of Rochester Medical School. She has a special interest in breast-feeding and newborn care. Dr. Kleinberg lives in Honeoye Falls with her husband and three young children.

All of our physicians are board-certified pediatricians, members of the American Academy of Pediatrics and have earned multiple awards including recognition under the Best Doctors in America.

Dr. Porter completed her pediatric residency at the University of Maryland Hospital in Baltimore. She moved to Rochester from Connecticut, where she was in private practice for 14 years. Dr. Porter lives in Pittsford with her husband, a pediatric cardiologist, and has two children.

Dr. Hoeger completed his residency at St. Christopher’s Hospital for Children, followed by post graduate work at the Cooper Hospital, University Medical Center. He is the Upstate New York Co-coordinator for PROS, a national pediatric office research network. Dr. Hoeger has a special interest in adolescent sports medicine. He is married and has two grown children.

Dr. Cleary completed her pediatric residency at the University of Rochester and served one year as a chief resident in pediatrics at Strong. She has leadership positions in the AAP including past President for Chapter 1 NY. Dr. Cleary serves as a medical consultant to a daycare center. She lives in Pittsford with her husband, an internist, and has two children.

Dr. Bauer completed her pediatric residency at the University of North Carolina, and subsequently worked at Duke University Medical Center in pediatric endocrinology. She is fluent in both German and Spanish. Dr. Bauer enjoys traveling abroad with her husband and two children.

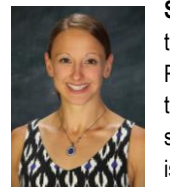

Dr. Murphy completed her pediatric residency at the University of Virginia, then served as Chief Resident in Pediatrics. She spent an additional year studying Pediatric Nephrology. Dr. Murphy serves on the Steering Committee for PROS, the AAP National Pediatric Office Research Network. She is married with children.

Dr. Marsocci completed his pediatric residency at the University of Colorado Health Sciences Center, where he later joined the faculty as Chief Resident and Clinical Instructor in Pediatrics. His special interests include adoption and sports medicine. Dr. Marsocci is married with three children and two brilliant granddaughters.

Ann Sorrento, P.N.P received her bachelor’s and master’s degrees in nursing with honors at SUNY Buffalo. She serves as Adjunct Faculty at the University of Rochester School of Nursing. Ann is also a certified Lactation Consultant. She is married with two grown children and three adorable grandchildren.

Sharon Harris, P.N.P received her master’s degree in the care of children and families from the University of Rochester. Sharon has extensive nursing experience in the pediatric intensive care unit at Strong Hospital and a special interest in the pediatric cardiac care center. She is married with three children.
